

ALEYNA AYTAN

SUMMARY

A highly motivated Computer Engineering student with a strong focus on software development and database management. Proficient in Java and SQL, with a solid understanding of object-oriented programming and algorithm design. Committed to continuous learning through professional certifications and practical projects. Seeking to leverage technical skills and a proactive mindset in a challenging engineering environment.

EXPERIENCE

Intern Computer Engineer | Advanced Information Technologies (A.I.T.) | June 2026 - Present

LANGUAGES

Turkish: Native , **English:** Pre-Intermediate (A2) – Actively improving to reach professional proficiency , **German:** Elementary (A1)

TRAINING & CERTIFICATES

- TSQL ile Veri Tabanı Programlama (Database Programming with TSQL) – BTK Akademi, 2026
- Uygulamalarla SQL Öğreniyorum (Learning SQL with Applications) – BTK Akademi, 2025
- Sıfırdan İleri Seviye Python Programlama (Advanced Python Programming from Scratch) – BTK Akademi, 2024
- Yapay Zekaya Giriş (Introduction to Artificial Intelligence) – BTK Akademi, 2024
- C Programlama Dili (C Programming Language) – BTK Akademi, 2023

TECHNICAL SKILLS

- **Programming Languages:** Java (Proficient), Python, C, C++, C#, SQL
- **Web Development:** HTML (Currently learning)
- **Software & Tools:** Eclipse IDE, MS Office Suite (Excel, Word, Outlook), Visual Studio Code, Git, GitHub
- **Mobile Development:** Flutter, Dart
- **Game Development:** Unity

PROJECTS

- **Market List Application (Java):** Developed a functional application using Java in the Eclipse IDE to manage and organize shopping lists, focusing on object-oriented programming logic.
- **Interactive Game Project (Java):** Designed and coded a basic interactive game using Java, implementing core programming concepts and algorithm development.
- **Personal Portfolio Website (In Progress):** Developed a structured personal website using HTML/CSS to showcase academic and technical progress. (<https://aleynaaytann.github.io/>)
- **EV Charging Station App (Flutter & Dart):** Developed a mobile application featuring map integration for users to locate EV charging stations.

EDUCATION

Mudanya University | Bursa, Turkey

- B.Sc. in Computer Engineering | 2023 – Present (Expected Graduation: 2027)
